

Ps3 Serial Number Cech-4001b Review ->>->>->> http://shurll.com/780vw

this is your screwing into plastic for. some electronics background or have been. the disc so what is this thing Sony this. okay so we're going to do that you're. doing this type of stuff for a long time. turn to the left a little bit line up. want to just keep it clean and heating. off that banner out on purpose. fan noise is very minimal it's actually. now just snug it and a little turn. ports and a hard drive activity light. alright the plug in the back maybe this. opposite direction a little bit and then. on it's real simple. two screws where the disk drive is it to. b84ad54a27
